APPENDIX 2:

# URTT REPORT AND DOCUMENTATION

## UNPLANNED RETURN TO THEATRE WITHIN 30 DAYS FOR A COMPLICATION OF SURGERY

| UR NO[1] | AGE | SEX | PRIMARY DIAGNOSIS | PRIMARY PROCEDURE | REASON FOR URTT (CLASSIFICATION) | URTT PROCEDURE |
|---|---|---|---|---|---|---|
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |

[1] *Not for reporting to external health service*

[2] *M&M review should state date and meeting (e.g. surgical M&M, anaesthesia M&M)*

[3] *If reported to health service/program clinical governance. NB there is no expectation that all URTTs would be reported to health service clinical governance committee but only selected cases where there are multidisciplinary*

# APPENDIX 2:
